ESTORIL, ESTORIL

Very bright, modern house designed by renowned architect Frederico Valsassina located in the heart of Estoril, walking distance from local commerce, train station and the beach.

The house consists in a large living/dining room that opens up to a big terrace. There is fully equipped semi-open kitchen.

On another floor there are 3 bedrooms, being 2 of them en suite and the master with walking closet, family bathroom, laundry room and storage room.

The house still has a garden and another big terrace in the entrance, great for Al Fresco meals.

All windows are Vitrocza.
